

2021 EAUOS

동아시아비뇨암학회 학술대회

(The East Asia Urological Oncology Society 2021 Annual Meeting)

Date November 26(Fri)-27(Sat), 2021

Venue Songdo Convensia, Incheon

Dear Distinguished Guests and Friends

I am honored to invite you to the 8th meeting of the East Asia Urological Oncology Society (EAUOS) at the Songdo Convensia on November 26th – 27th, 2021 on behalf of the organizing committee.

While we all had long hoped to have our Annual symposium in forms of offline, persistent COVID situations and the travel restrictions force us to serve our members and delegates with a "Hybrid meeting" this year.

The EAUOS has been first started as a casual meeting since 2013 by uro-oncologists from Japan, Taiwan, and Korea, and now it has become a representative symposium of East Asia to be held every year.

This symposium has contributed greatly to the sharing of new knowledge and friendship among uro-oncologists. I hope that informative discussions on the topics of urologic oncology as well as collaborative studies will continue in the future.

I expect that this coming EAUOS will be a valuable symposium for you, and I am sincerely inviting you to the EAUOS!

Seong Soo Jeon
President of EAUOS

Cheol Kwak
President of KUOS
